Major and Career Options:

As an aspiring business student at the University of Nevada, Reno I want to pursue a Degree within Accounting specializing in either Public Accounting or Internal Auditing. Post Graduation I would like to achieve my CPA license and serve as a Certified Public Accountant working for one of the big 4 firms preferably Deloitte. However When I'm older I would like to create my own firm as it has always been a goal of mine to work for myself.

Technical Background

I would say I am decently Proficient when it come To technology. I mainly Specialize in programs Such as google Applications like Docs And Slides however I have also become Somewhat fluent in Excel and Word. I Use them mostly for Classes required by The university however In the past I have also Used them for job Opportunities and Fraternity relations.

Hobbies/Interests

In my free time I enjoy Spending my time with friends choosing to go to the gym, hiking, rock climbing, and thrifting. I also enjoy watching sports such as football and am a 49ers fan. I chose the University of Nevada, Reno mainly because my sister went there and it was close to home as I am from Sacramento. I really enjoy listening to early 2000's rock like The Smashing Pumpkins and Radiohead but I'm open to listening to any type of genre of music, as long as it's not country.
